**Note 4 : Treatment of delayed claims and claims submitted during CIRP**

**Note 5 : Methodology for verification of claims upto liquidation commencement date**

For verification of claims, the following have been taken into consideration :

- the data, documents and records furnished by the erstwhile resolution professional; and
- the information and records, or details of any adjustment available with the Corporate Debtor

**Note 6 : Claims in Foreign Currency**

- The Liquidator has considered an amount of ~INR 230.22 Crores (USD 25.00 Mn) claimed by Lufthansa Technik which is presently being disputed by the Liquidator. Accordingly, the total unpaid CIRP Costs may be revised basis the outcome of the resolution of dispute with Lufthansa Technik.
- The Liquidator has, on a provisional basis, considered an aggregate amount of INR 410.56 Crores as the outer limit of the amounts payable to the workmen and employees of Go First for the period of the Corporate Insolvency Resolution Process ("CIRP"). However, it has been observed that, although several of the said workmen and employees have not formally tendered their resignations, many have ceased to report for duty or mark attendance. The Liquidator is presently undertaking a detailed verification to ascertain the dates from which such workmen and employees discontinued regular attendance. Upon completion of this assessment, the claims of the concerned workmen and employees shall be suitably reviewed and revised, as may be warranted.
- The Liquidator has, on a provisional basis, considered other operational costs based on invoices received as of current date. For the avoidance of doubt, these operational costs have been estimated for the period upto the present date by extrapolating historical expenditure and trends observed in the invoices received. The Liquidator is presently undertaking a detailed verification to ascertain such other operational costs.

**Note 9 : Liquidation costs incurred till date**

Liquidations Costs as per Regulation post liquidation commencement date. While arriving at the total liquidation costs incurred till date, the Liquidator has considered costs which have been incurred and paid as of present date.
